

Message from the Acting President

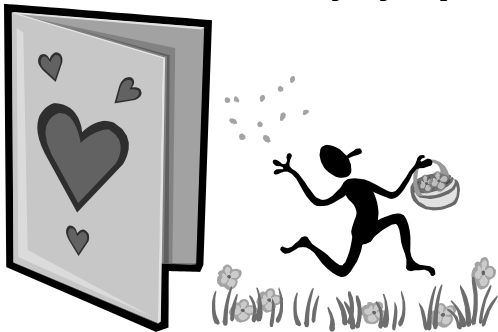

Welcome to the February edition of the Kids First Child Development Centre Newsletter. I hope that everyone had a happy holiday and survived the harsh winter weather this past month.

There is little to report this month so I'll just leave it at that and wish everyone a Happy Valentines.

Valentine

s!!!

February is Valentine's month. Every year on Valentine's Day the children exchange Valentine's. Please find attached a list of the children currently enrolled in the daycare, so that your child can come to the daycare armed with Valentine's on the big day. If you wish to send Valentine-oriented baked goods on that day, *please* let the staff know so they can accommodate the provisions during snack time.

Looking for

Volunteers

Kathy Smith will be organizing a thorough cleaning of the Centre. Keep your eyes open for the request for volunteers. Remember...a clean daycare is a healthy daycare! Help ensure our kids stay healthy!
